HRASTNIK1860

LIQUEUR BOTTLE DESIGN

The look of your bottle should reflect the efforts you have put into the making of your drink. The bottle is the first interaction between the customer and the brand, it can make an instant connection.

The design options are endless when you have liqueur on your mind. A special liqueur catalogue will take you through our suggestions, so you can choose the one that represents your product and perfectly communicates your brand essence.

Hrastnik1860 is offering an extensive range as a full-service solution partner, from the idea, design, development and production, all while focusing on flexible and excellent service, quick arrival to the market and tailor-made solutions.

Customize your glass bottle in one place.

JUNO

Match made in heaven

Juno is one of the brightest asteroids and now also one of the most powerful bottles. Just like the name Juno has many meanings also the bottle has many purposes. Its powerful and elegant design gives Juno a unique ability to connect with water and spirits. Pairing the Juno bottle with your drink will make you feel like it was written in the stars.

LUNA

Purity of form

Inspired by the Moon and the pure forms of Scandinavian design. Its round shoulders create a fully circular motion and its straight neck cuts through. Pure, clean and minimal. Luna conveys simplicity, intensive forms and naturalness that would complement most distillations, and non-alcoholic drinks.

MAIN FEATURES

EGG

Symbol of life

The Egg decanter symbolizes birth and life. Its shape is sincere, clear and evident. A perfect packaging, aesthetical and functional! How can we do something more optimized and yet so inspiring? The Egg decanter presents pure and soft lines nested on an extraordinarily thick bottom. It's an irresistible invitation to hold it and appreciate the clarity of the glass.

MILA

When standard comes as exclusivity

The Mila model is the Slovenian version of the Futura style bottle, well known for its tall silhouette. This generic model benefits here from the purity and the brilliance of the extra white flint glass of Hrastnik1860, and its great mastery of forming. Mila is proposed in several versions of size, finish, packing and quality level.

BOTTLE DESIGN

Exquisite designs build strong brand identities. The bottle design is very important as it’s the first interaction between the customer and the brand.

Equipped with knowledge and expertise our in-house design studio can help you create a technically demanding and complex design for your bespoke bottle. We can assure you a realization of your dream bottle design with cost efficiency and faster time to the market.

BOTTLE DECOR

As beautiful as your bottle is, it still needs to be »dressed to impress«. With the right decoration, we can perfectly combine the elements of liquid, bottle and image of the brand.

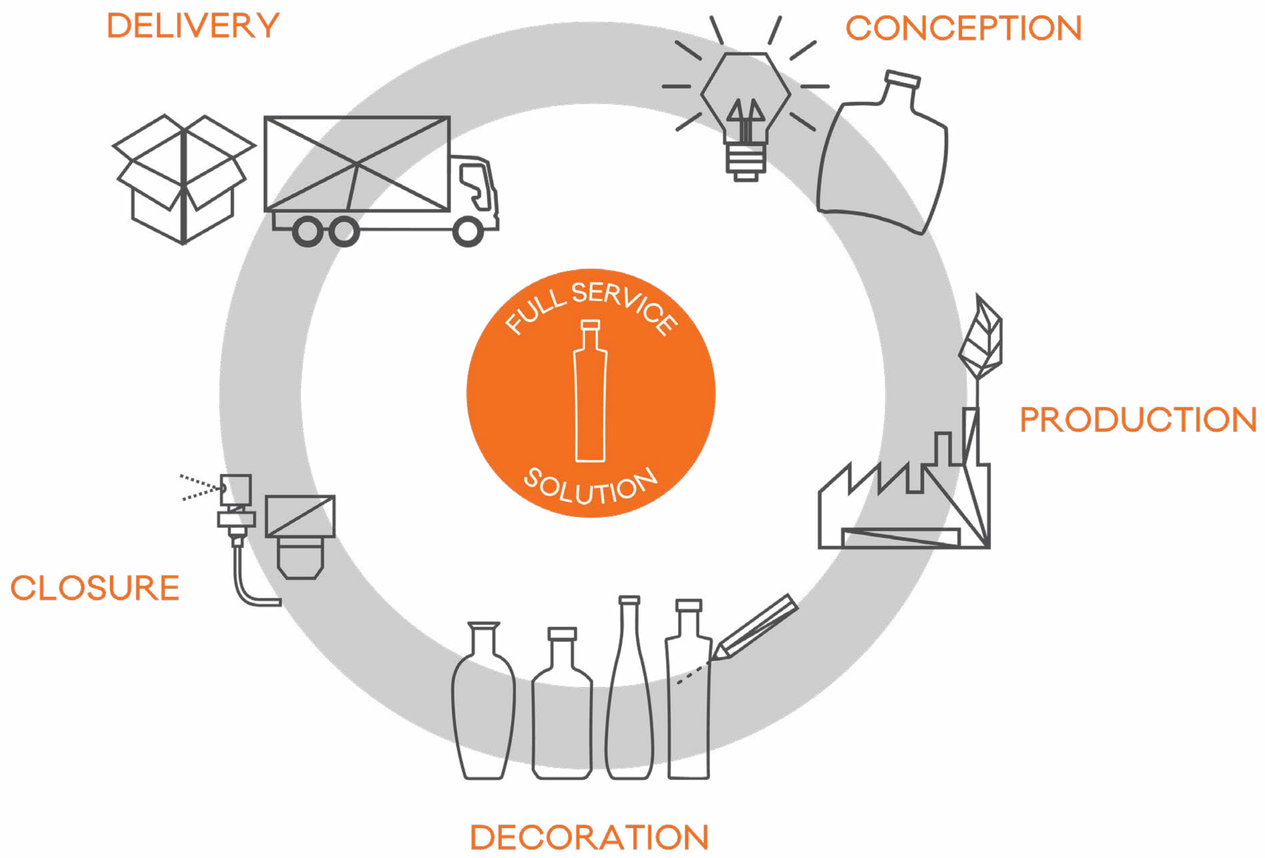

With our latest decoration technologies, we can help you make the next step and go from clear glass to clear message on your bottle.

FULL SERVICE SOLUTION

Hrastnik1860 is offering an extensive range as a full-service solution partner. From the idea to design, development, prototyping, production, decoration and accessories solution, all while focusing on flexible and excellent service, quick arrival to the market and tailor-made solutions.

With more than 160 years of know-how developing sophisticated glass products and delivering glass packaging experience that no one else can match, Hrastnik1860 is your best full-service solution partner.
