About us

The Vaider Group is dedicated to innovation, sustainability, and customer satisfaction and is driven by more than 160 years of tradition and extensive knowledge of glassmaking—both in the design and manufacturing of glass packaging products. By prioritizing quality, innovative projects, and customer-focused solutions, the Vaider Group is establishing itself as a reliable partner in the glass industry.

Hrastnik1860, a member of the Vaider Group, is a distinguished global business partner with a strong tradition of developing and producing premium glass packaging. Using one of the world's clearest glasses, the company specializes in creating some of the most technically demanding bottles. As a full-service solution partner, Hrastnik1860 provides an extensive range of services, helping clients with everything from the initial idea and design to development, production, and sustainable innovations.

Vaider Srpska Fabrika Stakla, located in Paraćin, specializes in offering quality glass packaging solutions for the food and beverage industry. Its diverse product range includes glass bottles and jars for wine, spirits, water, soft drinks, and various food products. Vaider SFS offers a complete range of services, covering every stage from concept and design to development and production.
